

## THE PACESETTER WAY HUDDLE NOTES

Halloween is always a blast at Pacesetter and to take advantage of it our focus for last week was:

**Keep it Fun:** Keep everything in perspective. Be lighthearted. Smile! Make it a pleasure for others to interact with you and with Pacesetter.

With an aerial assault of passing plays, we scored again! Some of the highlights:

- 🏈 “Melanie did a fantastic job helping with organization for a team-building putting challenge around the office” - Gary
- 🏈 “Princess Peach went the extra mile to make our Halloween race more fun for everyone! **She’s the best!**” - Toad
- 🏈 “Brian D. really brought me back to my teenage years with a funny picture celebrating a new award of business.” - Corri

Seeing the Pacesetter team working hard AND playing hard is one of the key components of our culture.

For next week, we discussed focusing on the run plays: What are we each doing individually to support the Pacesetter Way? In that regard, we've selected a fundamental that should be more personal for each of us.

**Commit to Personal Development:** Challenge yourself to be better. Never be satisfied with the status quo. Ask for feedback regularly and welcome it. Treat mistakes as learning opportunities. Assume your knowledge and skills will not be sufficient for tomorrow's challenges. Demonstrate a commitment to lifelong learning.

Check in with us again next week to find out all the ways we represent this during our next Monday huddle! And, be sure to comment on our [website](#) about all you are doing to live out these fundamentals!
