

VISITOR NOTICE

Pacesetter takes the health and safety of its associates and the people it does business with very seriously. In response to the worldwide covid-19 outbreak, Pacesetter has implemented a temporary policy to protect our associates and valued visitors. This is the same policy that we are applying to our workforce. Please review this notice no earlier than 48 hours before your visit and if appropriate, please reschedule your visit. Thank you for your understanding and cooperation.

1. If you are or within the last 14 days were exhibiting signs of acute respiratory illness such as any of the following symptoms:
 - Coughing, sneezing
 - Fever
 - Shortness of breath, difficulty breathing, or
 - Early symptoms such as chills, body aches, sore throat, headache, diarrhea, nausea/vomiting, and runny nose then please reschedule your visit to a time when you have been free of fever (100.4 F / 37.8 C) and any other signs of acute respiratory illness for at least 24 hours.
2. If you had close contact within the last 14 days with someone:
 - Exhibiting signs of acute respiratory illness
 - Being evaluated for infection from the covid-19 virus or
 - Confirmed to have the covid-19 virus then please reschedule your visit to a time that is more than 14 days since you had such close contact and when you have been free of fever (100.4 F / 37.8 C) and any other signs of acute respiratory illness for at least 24 hours.
3. If you traveled within the last 14 days to mainland China, South Korea, Italy or Iran, then please reschedule your visit to a time that is more than 14 days since your last travel and when you have been free of fever (100.4 F / 37.8 C) and any other signs of acute respiratory illness for at least 24 hours.
4. If you had close contact with someone who has travelled within the last 14 days to mainland China, South Korea, Italy or Iran, then please reschedule your visit to a time that is more than 14 days since you had such close contact and when you have been free of fever (100.4 F / 37.8 C) and any other signs of acute respiratory illness for at least 24 hours.
5. If you have been confirmed to have the covid-19 virus, then please reschedule your visit until it has been determined by a healthcare professional that you no longer have the covid-19 virus.

As an alternative to rescheduling your visit, depending on your specific circumstances, Pacesetter may be able to arrange a remote business meeting. Please reach out to your Pacesetter contact to confirm if this solution will work for you.
